30th March 2026

Dear Resident/ Proprietor,

C29 - Arkengarthdale Road – Carriageway Patching works

This letter is to inform you that Rainton Construction, on behalf of North Yorkshire Council, will be carrying out highway maintenance works at the above location, from the cattle grid south of Arkle Town, northwards to the junction with the road to The Stang. The works will include carriageway patching and reinforcing sections of the road and adjustment and replacement of ironwork.

The works are currently scheduled to commence on 13 April 2026 for a period of 6 weeks and will be carried out under a full road closure between the hours of 7:30 am and 5:00 pm. Outside of these working hours, a two-way temporary traffic light system will be in operation. Please find enclosed a plan indicating the extent of the works for your information.

Advance warning signage advising of the works will be installed on site shortly. Whilst the works are in progress, a fully signed diversion will be in place. On-site personnel will assist in managing access to properties and businesses within the closure whilst the site is operational during the daytime. Please be advised there may be extended periods when access will not be possible due to the nature of the works and physical constraints of the site. Pedestrian access will be maintained.

Please note, this work is part of an extensive programme and therefore, some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances such as significant weather events or emergencies on the highway network arise.

To ensure the delivery of these works we request your assistance in the following ways:

- Please contact the Customer Service Centre on 0300 131 2 131, to identify any special access needs you may have prior to work commencing.
- If applicable, please make arrangements to store your vehicle at an alternative location
- Please co-operate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

May I draw your attention to the Councils Corporate Privacy Policy by using the following link <https://www.northyorks.gov.uk/privacy-notice>. When submitting a response, we will record personal information including your name and address.

For further information, including diversion information and to sign up for alerts please go to;
