6 March 2020

Dear Resident

C30, STANG LANE, ARKENGARThDALE – SHAW BECK BOUNDARY WALL REPAIRS

This letter is to inform you that North Yorkshire County Council will be undertaking highway maintenance on the C30, Stang Lane, Arkengarthdale, from its junction with the Arkengarthdale Road, northwards to the junction with the road to Eskeleth. The works are programmed to be undertaken from Monday 9 March 2020 to Friday 20 March 2020.

Due to the width of the road and the large machines and wagons we will have on site the road will be closed for the duration of the works from Monday to Friday. The road will be open during the weekend. Vehicle access to all properties within the closure will be possible, however depending on the location of the works each day vehicles might be asked to use the diversion route to gain access. Pedestrian access will be maintained at all times with the assistance of on-site personnel tasked with this process. A diversion route will be signed via Marske and Barningham.

The work is part of an extensive programme and as a consequence it is possible that some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances (such as significant weather events or emergencies on the highway network arise).

We request your assistance in the following ways:-

Please contact the Customer Resolution Centre on 01609 780780 to identify any special access needs you may have during the work period;

Co-operate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area;

For further information including diversion information and to sign up for alerts please go to;
<http://www.northyorks.gov.uk/article/30550/Public-notice>

I would like to take this opportunity to apologise for any disruption that these works may cause and would again request your co-operation to help ensure an efficiently and safely executed project.

Yours faithfully

Customer Resolution Centre
