

## Water quality in Arkle Beck and the River Swale – July 2025

The information below was provided by Yorkshire Water in response to a request from Arkengarthdale Parish Council for regular water quality reports.

\*\*\*\*\*

Thank you for your recent correspondence with regards to water quality reports for the Arkle Beck and the River Swale.

The above assets do not belong to Yorkshire Water however water quality provides data on water quality measurements carried out by the Environment Agency. Samples are taken from sampling points around the country and then analysed in laboratories.

I have provided a link to their webpage which may be of help

<<https://environment.data.gov.uk/water-quality/view/explore?search=&area=&samplingPointType.group=S&samplingPointStatus%5B%5D=open&loc=&limit=500>>

The <canal & river trust> [canalrivertrust.org.uk/](https://canalrivertrust.org.uk/) <<https://canalrivertrust.org.uk/>> may also be able to assist you.

To download our free latest water quality report for the areas of Aysgarth, Bainbridge, Bedale, Leeming Bar, Leyburn, Masham, Middleham, Patrick Brompton, Wensley, West Burton of please visit
