

# Helping Richmondshire to Heat, Eat and Meet

Tennants, Leyburn – 1<sup>st</sup> July 2022 10am-3pm

The cost of energy, food and transport is rising exponentially. At the Garden Rooms at Tennants on 1<sup>st</sup> July you can meet people and organisations who can help you:

- save money, manage debt
- transition to new forms of energy,
- grow and eat cheap healthy food,
- and solve your travel and transport problems.

Let's all work together to help our community!

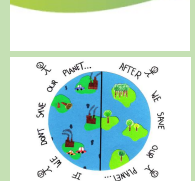

The event includes

- Community support organization information, advice and practical help
- Energy cost management and renewables energy advice
- Food banks/shares, cooking demo, grow your own and community gardens
- Electric vehicles, e-bikes, car share, public transport and community buses

Admission is free
